The Club

The Landrover Owners Club of Western Australia aims to enhance appreciation of the qualities and abilities of 4wd vehicles: principally of Landrover manufacture, but without bias, as all makes are welcome in the club. The membership ranges across all sections of the community with a common aim to foster friendship between individuals sharing an interest in activities in which these vehicles may be used.

Members are encouraged to enjoy and respect the outdoor environment and to more fully appreciate Western Australia's natural scenery. Activities involve bush touring, camping and a variety of social events which are organized from time to time. Trips vary from one day to several weeks in duration and are of differing degrees of difficulty. They are organized on a regular basis and all members of the family are welcome to participate.

Membership

Visitors are welcome and encouraged to attend up to 3 events prior to joining the club.

This enables the potential member to gain some appreciation of the club activities before they join and also gives the club the opportunity to meet the potential member. Once accepted the annual fee of \$120.00 is required.

The LROCWA has just Celebrated its 53rd year as a club (2021). Something that we are immensely proud of. We also have some of our founding members still active within the club! This is what keeps us alive and active, but we are always wanting new members to keep the club going!. We are also keen Members of the 4wd Association and practice Tread lightly. The club is involved in ongoing community work Department of Biodiversity, Conservation and Attractions (formerly CALM) and with several shires and property owners.

Including the upkeep and restoration of *Youndegin* police station also The Area north of Jurien Bay called Sandy Cape and down South at Fish Creek where we assist the Ranger with track repair and general clean-ups of the beaches. All this work is voluntary and includes weekends with camping out.

The Land Rover Owners' Club meets on the second Monday of each month, at Stirling Community Centres, Cnr Cape St and Stoneham St Tuart Hill, at 8.00pm. Owners of Land Rover and other 4WD vehicles that are registered and in a roadworthy condition are invited to join us in the Club's social and 4WD activities. These include day, weekend and extended trips, guest speakers, videos and social outings. Please contact either 0439110039 or 0400505102 for further information.
